Eisenhower Desert Orthopedic Pain Management Center
Patient Imaging Information Sheet

Ordering Provider Name:

☐ Cassim, Hazmer - DO   ☐ Guiles, Michael - PA   ☐ Wong, Kevin - DO
☐ Conley, Janet - NP   ☐ Patel, Deep - MD
☐ Dezelan, Marianne - PA   ☐ Anderson, Angel - NP

Your provider is requesting that you have additional imaging. For patients with healthcare coverage, PPO, DOHC, HMO and Work Comp this requires that your procedure is pre-authorized before services are rendered.

- You may check the status of your referral by contacting your insurance carrier directly or you may also contact the below imaging facility.

- For Work Comp patients, please contact your assigned adjuster directly.

Please find below a list of local imaging facilities and their scheduling phone numbers.

If you have not received a call from the imagining facility with-in 5 to 7 business days after your appointment with your provider please call the imaging facility to schedule your appointment.

After you have scheduled your imaging appointment please call the clinic to schedule your **Test Result Appointment** with your provider. Please keep in mind your results <u>must be available</u> for the provider during your **Test Result Appointment**.
